IMLB 2022 Fact Sheet

The 21st International Meeting on Lithium Batteries

Event record

Name: IMLB 2022, the 21st International Meeting on Lithium Batteries.

Dates: 26 June to 1 July 2022.

Location: International Convention Centre Sydney, Darling Harbour, Sydney, Australia.

Host: CSIRO, Australia's national science agency.

Programme focus

Advanced lithium batteries for energy storage and conversion.

Basic and applied research on battery materials and electrochemical performance.

Lithium battery applications in transport, aerospace, biomedical and other industries.

Australia's strengths in battery minerals and the global battery value chain.

Plenary speakers

Clare Grey

Stan Whittingham

Maria Forsyth

Jeff Dahn

Secretariat
